Sub.: Action Taken report of the Principal, Patna College, P.U.

Sir,

I am enclosing the copy of action taken report sent by the Principal, Patna College after proper investigation in to the incident occurred at Patna College on 31 December, 2018 at about 3:46 p.m. As per the report of the Principal, alleged culprit Students were present before the College anti ragging committee and confessed that they were completely innocent and ignorant about the incident of ragging. The information about the incident for which the victim had complained to the helpline, seems fabricated.

I shall apprise of the fact that ragging usually takes place in the beginning of the session and at present students are busy with various examinations. Our University is committed to make the campus ragging free. As directed, kindly advise the victim to meet me personally so that his problem could be heard`

With best regards.

Yours sincerely,
