To

The Vice-Chancellor,
Patna University,
Patna.

Sir,

It is to be stated that a P. G. Diploma Course in Clinical Psychology has been started at the Institute of Psychological Research and Service three years back. Recently the Regulations have been approved by the Chancellor. The growing popularity and practical value of the subject have made this subject very popular. At present the total number of seats is 20 and the applicants are more and with a probability that the demand will be increasing for admission. Hence I think that the number of seats be increased at upto 30 (thirty ~~five~~ ^{five}). so that the people of Bihar may not be deprived of this highly specialised vocational subject. I therefore request you to kindly approve my proposal in anticipation of the approval of Academic Council.

Yours faithfully,

(Shamshad Hussain)
Director.
