FACULTIES

FROM THE DESK OF THE HEAD OF THE DEPARTMENT

Month of December was a preparatory month for academic planning and execution. Examinations started with COVID advisory. Life returned to normalcy. Christmas was in the air. Positivity appeared with the realization that nothing is permanent. Even troubles and worries pass away with time. Off line classes resumed from 4- of January 2021 after winter vacation. January was packed with activities. Regular teaching, meetings, webinars and celebrations took place. Republic day was celebrated with zeal and enthusiasm. Saraswati puja was celebrated by students of the University with devotion. It was followed by CIA 1, assignments and class presentations. Attendance is increasing every day. February was very hectic because of admissions of students in first semester of PG Political Science. Induction meet was organized for newly admitted students and thereby an academic environment was restored in the campus of Darbhanga House. Hope all goes well! Wishing you all a happy and healthy 2021!! Let us educate each other.
