Subject: Placement of Kaivalya Education Foundation(Gandhi Fellowship Program)- an initiative of Piramal Foundation for Education Leadership

Dear All

It's a privilege for Patna University to connect with Gandhi Fellowship, a Professional program for the final year students who are ready to step into the professional arena and choose an impact-based careers for themselves.

Gandhi Fellowship's recruitment is for an essential sector, a sector which among others needs focus and priority not only from the Government but also in the form of partnerships and investments from large and important corporates across the globe. The Development Sector needs more inclusive focus at the grassroots, and Youth who can positively impact million lives. Gandhi Fellowship under the aegis of Kaivalya Education Foundation and Piramal Foundation for Education Leadership has been nurturing a bank of such committed youngsters capable to showcase success stories of impacting lives over the last decade. It is a unique two-year leadership program that gives the youth of India the unique opportunity to improve the public education system of India. As Gandhi Fellows, young change leaders are trained to cause large scale social and public systems change.

As a part of Gandhi fellowship program, fellows are given a stipend of Rs.14, 000 divided into 7000 per month at the time of fellowship and the cumulative rest is given post completion of two years. This is important for the fact that fellows may have some seed funding to start their own enterprise. Apart from this, expenses like accommodation & work-related travel are covered by us.

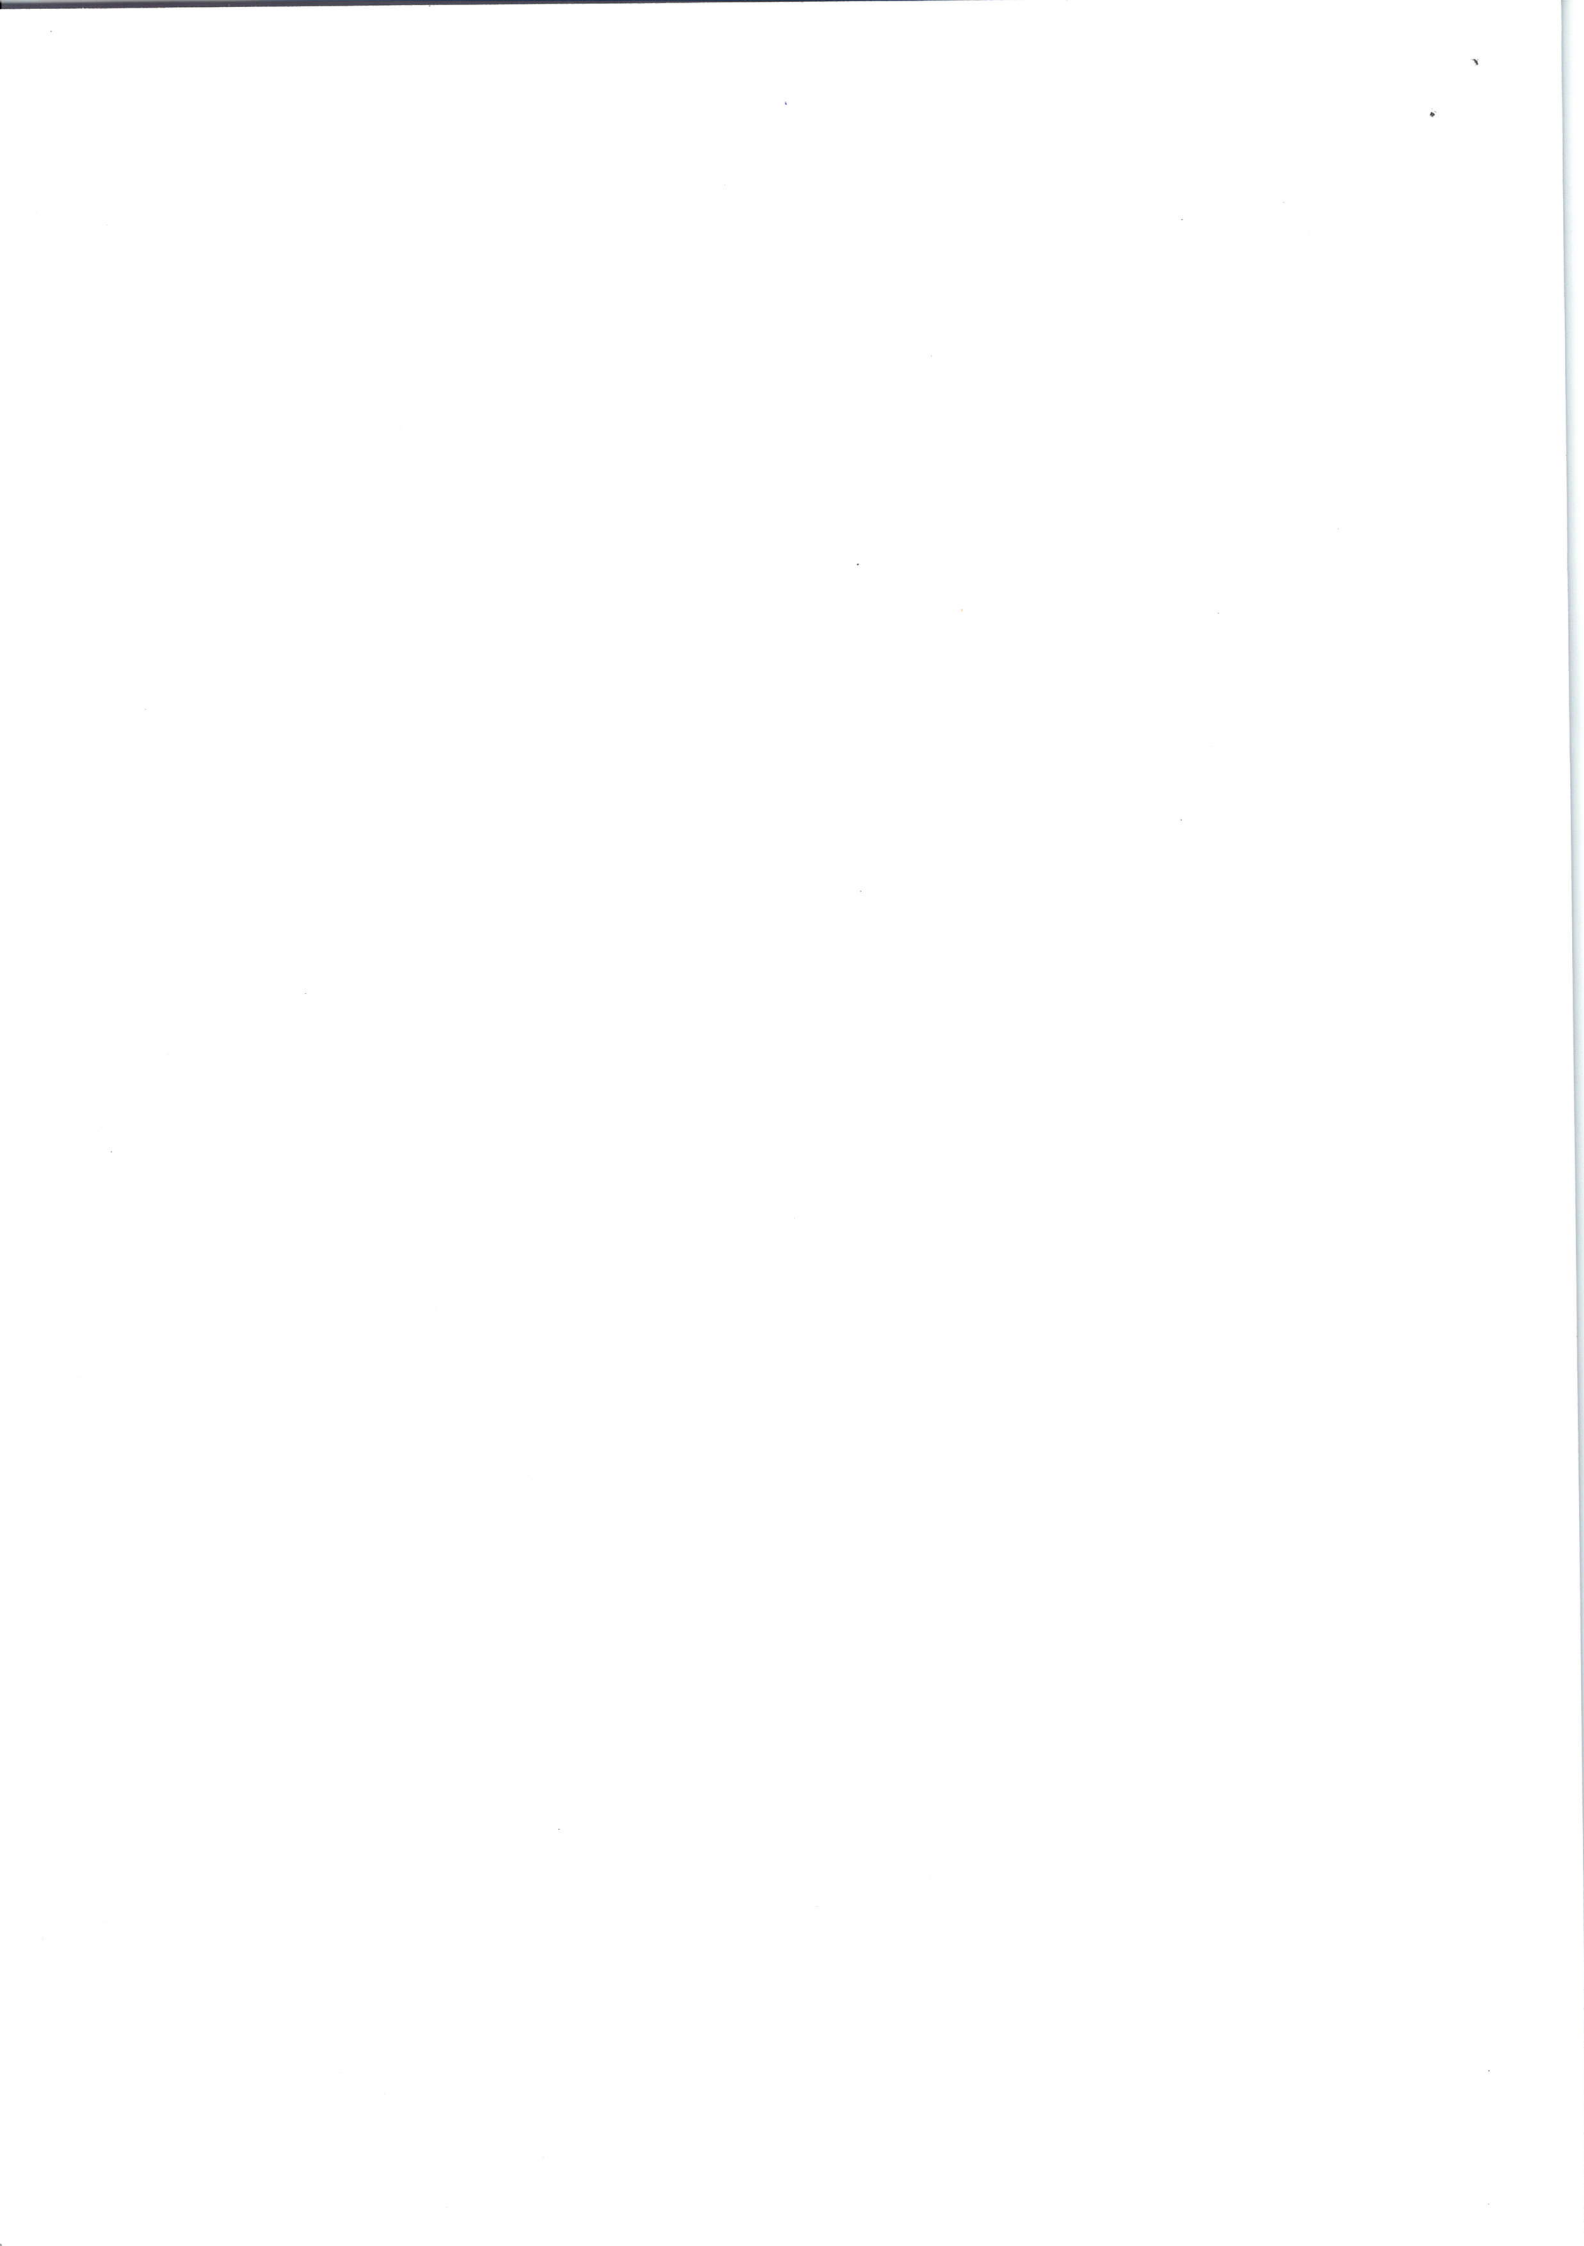

Post the students' selection through a rigorous process of Registration, Application filling followed by GD and Interview, the students would be offered their joining letter post interaction with our Core Team Member. Their joining would be on the 1st of July, 19 at our main campus- Piramal School of Leadership, Bagar.

[Faint, illegible handwritten text at the top of the page]

Post completion of 2 years of intense work, our previous batch fellows have been placed in various Government, Corporate, Non-Profit and For-Profit Organizations like Ministry of Rural Development, Ministry of Labor and Employment, Bihar Rural Livelihood Mission, Tech Mahindra Foundation, Azim Premji Foundation, Pratham, STIR Education, Sattva Consulting, School of Life, Piramal Foundation and Enterprise to name a few.

It is our immense pleasure to inform you that with the approval of your esteemed Vice Chancellor, we would like to conduct a Gandhi Fellowship Placement Process for the final year PG students of Patna University as per the following schedule:
