Date & Time	7 <sup>th</sup> Feb,2021 (Sunday) for Ph.D. Scholars 11:00 AM
Venue	PATNA UNIVERSITY RAJA BLOCK DARBHANGA HOUSE - PATNA

#### JOB DISCRPTION:

At our Field Institutes we are looking for teacher educators who can work with us to improve the quality of teaching and learning processes within government schools. Our work includes working on school subjects like Mathematics, Science, Social Sciences and Languages (English/ Hindi/Kannada/Tamil) and addressing some of the fundamental beliefs about education and society that influence teaching learning in the classrooms. A potential teacher educator will be interested in all aspects of k-12 education including:

- Improving the quality of educational processes and practices within schools across a district through capacity building of teachers, head teachers, teacher educators, and education functionaries
- Designing and facilitating creative approaches to teaching and learning through workshops, teacher forums, seminars, melas etc in their chosen subject
- Building networks of like-minded teachers and head teachers
- Residing at teacher towns and blocks where government school teachers reside and engage with them continuously.

Professional competencies will include:

- Very good understanding of the subject and its content.
- Ability to conceptualize and deliver professional development programs for teachers and head teachers.
- Ability to facilitate
- Ability to communicate complex ideas in simple manner
- Liaisoning and networking skills.

Over and above professional competencies, we are looking for individuals with the following attributes:

- Strong belief in constitutional values
- Deep commitment towards social change
- Being analytical and rational
- Be open and caring
- Patience and resilience to work for long-term goals
- Ability to function in a team
