FROM THE DESK OF VICE-CHANCELLOR

This edition of *Samvaad* shares the vibrant activities and celebrations at Patna University during the period of July to September 2025. The commencement of the new academic session has brought fresh energy to our campus. I warmly welcome our newly admitted students and commend the successful organization of the Admission and Induction Programme, which play a vital role in orienting students to the values and vision of our university. Our commitment to a safe and supportive campus was reinforced during Anti-Ragging Week, emphasizing respect, discipline, and mutual responsibility.

The celebration of Independence Day further reminded us of our collective responsibility to uphold the ideals of freedom, integrity, and service. The observance of Teachers' Day was a heartfelt tribute to the dedication and commitment of our faculty, whose guidance continues to shape the character and intellect of our students. The period concluded with the joyous Durga Puja celebrations, reflecting our rich cultural heritage and fostering unity among students, faculty, and staff. As we enter this festive season, I extend my sincere greetings on the occasion of Dipawali and Chhath Puja. May these festivals inspire us to pursue knowledge, harmony, and excellence with renewed enthusiasm.

I commend the editorial committee of *Samvaad* for its efforts. I also thank the faculty, support staff and students for their enthusiastic participation and continued engagement in academic, cultural, and social initiatives that enrich our university community. Let us continue to work together to foster academic excellence, innovation, and inclusivity in all our endeavours.

Warm regards

Prof. Ajay Kumar Singh
