Minutes of the Meeting

Agenda No.: 1 – Regarding the change in existing syllabus of P. G. (M. Com. and MBA) in the light of Patna University letter No. AC/IQAC/1673 dated 03/01/2024.

M. Com.

Resolution:-

- (i) There is a discrepancy in the subject / paper code of Advance Accountancy and Corporate Direct Tax of M. Com. Semester III in front page and in inner side of the course structure which needs to be corrected. The paper code COMCC 12 be read as Advance Accountancy in the place of Corporate Direct Tax and COMCC 13 be read as Corporate Direct Tax in place of Advance Accountancy in both front side and in inner side of the course structure of the papers. However, it has already been intimated to the University earlier but even this practice is still continuing which needs to be stopped from the next academic session.
- (ii) In paper code COMCC 13 Corporate Direct Tax under Unit III, there is a need to give knowledge to the students about "Deduction U/S 80 of Income Tax Act relating company" which needs to be incorporated in the existing syllabus of the said paper along with "Rebate".
- (iii) There is a need to bring change and ensure informity in the course structure of M. Com. from Semester I to Semester IV for which 16 core papers offered in existing syllabus need to be uniformly distributed along with Industrial Training / Market Survey Report which should be as under:-

Semester I	- COMCC I to IV
Semester II	- COMCC V to VIII
Semester III	- COMCC IX to XII
Semester IV	- COMCC XIII to XVI
- (iv) The paper XVI should be the "Project Report based on Industrial Training / Market Survey". The syllabus of the core papers along with other papers will remain unchanged.

(v) In Semester III of M. Com. paper COMCC 10 (Entrepreneurship Development in India) of unit II, there is need to give knowledge about these theories of entrepreneurship which needs to be clearly mentioned in the existing course structure such as

- Economic theories of Entrepreneurship
- Sociological theories of Entrepreneurship
- Psychological theories of Entrepreneurship

(vi) There is a discrepancy in the distribution of marks in CIA and ESE of Paper "DSE - 1 or GE - 1" of M. Com. Semester IV in the front side / 1st page and inner side of the paper which needs to be symmetrical. Hence, it is resolved that this paper is of qualifying nature, hence, CIA and ESE marks both should be of 50 each in the place of 30:70.

Agenda No.: 2 – The course structure of MBA from Semester I to Semester IV was discussed and resolved that the whole syllabus framed earlier at Raj Bhawan for whole Bihar needs changes but for the time being a separate committee needs to be constituted for the same.

MBA

- (i) There is a need to bring some changes in paper code MB 301 (Strategic Management) in Unit V where Corporate Level Strategy – Business Level Strategy and Functional Level Strategy needs to be studied in detail. Hence, their different forms be incorporated in the place of existing selected form.
- (ii) There is a need to allocate teaching hours as per allotted credit for the said paper where it was resolved that 01 credit is equal to 10 hours and 04 credit is equal to 40 hours.

Agenda 3 – Revision of syllabi of paper II of Ph. D. Course Work in the light of Patna University letter No. Acad/133/AKS/1580 dated 16/10/2023.

Ph. D. Course Work

Resolution – There is no need to change in the existing syllabi of paper II of the Ph. D. Course Work. However, there is a need to allocate credit to both of the paper I and paper II where each paper will be of 3 credits.

Agenda 4 – Allotment of provisional (proposed) Supervisor to all the candidates admitted in Ph. D. Course Work as directed vide Patna University letter No. Acad/357/AKS/1736 dated 19/12/2023.

Resolution – The Departmental Council resolved the list of the proposed Supervisors but it was also decided to take the choice from the candidates.
